Re: Notice of Intention to Commence Small Mining Activities, American Stone, Lion Heart Quarry, S/003/033, Box Elder County, Utah

Dear Mr. Washington:

On March 9, 1995, the Division received a notice to conduct small mining operations from American Stone for their Lion Heart Quarry. This project involves both BLM surface and minerals in the SE/4 of the SE/4 of Section 8, T14N, R16W, SLBM, in Box Elder County, Utah. It is the Division's understanding that you also received a copy of this notice. This Notice *does not* satisfy the notice requirements of Rule R647-003 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, et seq., Utah Code Annotated.

The following information is still required:

**Rule R647-3-105 Project Location and Maps:**

The operator needs to provide a detailed map showing the location of the proposed new road.

The Division understands that no variances were requested. Thus, the operator will be held to meeting all of the performance standards listed on page 3 of the Notice under part IV. Operation and Reclamation Practices (Rule R647-3-107, 108 & 109).

We will suspend our review and await the amended Notice of Intention. In reply, please reference our file number S/003/033. Please call if you have any questions. Thank you for your cooperation.

Sincerely,

Lynn Kunzler  
Reclamation Specialist
